THE CITY COUNCIL

HELD THE WEEKLY SESSION

Will Open Long Proposed Lane—
Messrs. Mays and Latta Appointed
to Fill Aldermanic Vacancies

As the city aldermen took their respective places at the council board last evening, Messrs. R. J. Manson and Sam Smith, members-elect of next year's council, and Ex-Ald. Chas. May, the newly elected mayor, were present.

WILL OPEN THE LANE

Ex-Mayor Short was also present and addressed the council regarding the opening of a twenty-five foot lane running from the rear of the Queen's Hotel west to McLaughlin avenue. Mr. Short said that the signatures of all owners of property on the proposed lane had been obtained and all that was necessary was the purchase from Mrs. H. H. of the Queen's Hotel of the six foot strip offered by her to the city. He would like to see the matter attended to as soon as possible. Ald. Fraser thought the lane should be opened at once. It had been before the council for two years now, and it was time something was being done. It was moved by Aldermen Clark and Beard that the matter be referred to the commissioners; that they be instructed to purchase from Mrs. H. H. the strip of land at the price agreed upon two years ago, and that the plan of the lane as presented be accepted, provided the solicitor is satisfied that the titles of the city to the various properties are satisfactory. The motion was carried.

COMMUNICATIONS

Sec. Treas. Kinnaird read the official statement from John McEneaney, returning officer, of the results of the municipal elections. The statement was accepted and filed.

A letter from the Government printer was read, asking for a renewal of the city's subscription to the Alberta Gazette. It was decided to have the subscription renewed.

TOWER HOUSE INSURANCE

A communication was received from the board of underwriters in connection with the rating of the tower house. The tower stated that the plant had been inspected, and had been rated at \$2.50 for the boiler and dynamo house, and \$2.50 for the dynamo house, dynamo and electric apparatus. The following reductions would be made if the suggested improvements were made:

1. If the opening from the boiler house to the basement of the dynamo room, be bricked in, 15c.
2. If 50 feet of 2 1/2 in. hose with nozzle be permanently connected with standpipes, 15c.
3. If metal clad ceiling be torn out, and all metal clad woodwork be replaced by metal clad woodwork, 25c.

This would bring the rate on building and contents to \$1.80 and on electrical apparatus to \$2.45. The letter also stated that in regard to the last suggested improvement, the temperature above the boiler was so high as to make the surrounding woodwork readily inflammable, and also that the smoke box from the boilers to the brick stack was too close to the metal clad woodwork. The ceiling was neither useful nor ornamental, and if removed would assist ventilation. It was recommended that no such hazards should be allowed to exist in a plant of this nature.

Ald. Clarke moved that the suggested improvements be carried out and the motion was carried.

Secretary-Treasurer Kinnaird read the statement of the amount of insurance at present on the tower house was \$50,000, at the rate of \$3.50. The policy would expire on the 28th of this month.

Aldermen Clarke and Fraser moved that the insurance be renewed after the improvements upon the tower house had been carried out and the reductions in the rates made.

Ald. Belpmy moved in amendment that the amount of insurance be cut down to \$30,000, not including the boiler house. The amendment carried.

Secretary Kinnaird expressed the wish that the council would take into their own hands the distributing of the insurance among the agents in the city. Great difficulty had been encountered by the commissioners last year in making the distribution. No less than sixteen agents had handled the insurance. It was moved by Aldermen Clarke and Fraser that the matter be left entirely to the hands of the commissioners; and that the insurance be distributed in blocks of \$2,000, and that all policies be renewed. The motion carried.

POST OFFICE SITE

The statement of Deputy-Returning Officer McDonald of the result of the plebiscite on the post office site was read. The statement showed that site No. 1, corner McDonald and Rice had received 587 votes; site No. 2, corner Howard and Rice, 262 votes; and site No. 3, corner Elizabeth and Howard, 77 votes.

Ald. Clark moved that the result of the plebiscite be submitted.

JUDGING SCHOOLS

TO BE HELD IN ALBERTA

Deputy Minister of Agriculture Returns From Conference With F. W. Hodson.

Geo. Marcott, deputy minister of agriculture in Alberta, returned from Winnipeg a few days ago. In an interview with a Bulletin representative Mr. Marcott stated that the object of his visit was to meet F. W. Hodson, Dominion live stock commissioner, in connection with the work of the stock judging schools. Mr. Honeyman, deputy minister of agriculture for Saskatchewan, G. H. Greig, secretary of the live stock associations of Manitoba, and C. W. Peterson, of Calgary, secretary of the Alberta live stock association, were also present at the meeting.

Stock judging schools are held early in the spring throughout the west for the purpose of instructing students in judging live stock. It had been found almost impossible to find men in the Territories capable of carrying on the work of the schools and giving the necessary instructions and the Dominion Government had been sending out men to carry on the work. Mr. Marcott submitted a request to Mr. Hodson asking that three men be sent next spring to Alberta, one to give instructions regarding light and heavy horses, another to give similar instruction in the judging of beef and dairy cattle, and a third man capable of judging poultry. A set of giving instructions as to the best methods of raising and fattening poultry. It is expected that these men will be wanted for the stock schools and institute meetings from about the middle of February to the middle of March.

Arrangements were also made with Mr. Hodson for official judges and speakers for the stock shows, bull sale, and special stock judging schools at Calgary in May, also for official judges for the summer stock show throughout the province. The arrangement with Mr. Hodson is that the Dominion Government will pay the salaries and expenses of the judges and speakers until they reach the borders of the province and the Provincial Government will pay their salaries and expenses while in the province. It is expected that competent men will soon be available in the province for the work.

The present unsatisfactory condition of the cattle market was also discussed, and Mr. Hodson was asked to look into the situation, and see if it was not possible for the Dominion Government to do something to improve matters.

Mr. Peterson brought up the question of housing stallions on much the same principle as prevails in Scotland. The Horse Breeder's Association, of which Mr. Peterson is secretary, had passed a resolution favoring this plan, and it was intended to lay the matter before the Minister of Agriculture, asking that some assistance be given in the shape of a bonus additional to what may be given by local organizations of horse breeders.

Asked in regard to the proposed seed trains, Mr. Marcott said that he had nothing definite had been announced. He had made inquiries when in Winnipeg of those having the matter in hand, and had found that their plans were pretty well assured, and that an announcement might be expected at any time. From what he could gather, it was likely that the first train would start from Brandon about the 6th of January, run up to Kirksville, then over the Prairies Hills branch, then from Kirksville to Regina, Prince Albert, and to the C. N. R. at Warman Junction, reaching Edmonton about January 20.

OLD TIMERS MET

AND Elected OFFICERS

The Pioneers Gathered Last Night—President's Annual Address

The annual meeting of the Old Timers' Association was held last evening in the office of W. G. Hobson. The election of officers resulted as follows:

President, Geo. R. Bly.

Vice-President, Malcolm Grant.

2nd Vice-President, H. B. Round.

Vice-President for Victoria district, E. Brossan.

Vice-President for St. Albert district, Geo. McGowan.

Vice-President for Strathcona, John Walters.

Vice-President for Sturgeon, H. Lambert.

Executive Committee, W. McKay, K. A. McLeod, J. E. Kelly, D. H. Bejeler, H. G. Goring, Geo. Davidson and S. J. Fairbanks.

Secretary-Treasurer, W. G. Hobson.

These present discussed old-time topics and the executive committee were asked to make arrangements and fix a date for the annual dinner of the association.

The annual address was delivered by the retiring President, Mr. Jas. McDonald.

Value of World: Mr. William McDonald for some time past a valued member of "The World" staff, left on Sunday for Edmonton where he has taken a position on the Bulletin staff. When Mr. McDonald left to go to look after the portfolio of the "World," he sent about for a good newspaper man to "fill the shoes" for the Bulletin. This he has found in Mr. McDonald, a man with a rich and varied experience of western life, who will be just the man to adequately fill the position. His belief in the "World" was one of the best in the profession in this province.

DIED.

HOLIDAY STATIONERY

ONE of the nicest little Christmas Gifts one can make is a Box of Fancy Stationery—appreciated of course, useful certainly, and perhaps in nothing we sell is there greater change in style, shape, design and shade, from one season to another, than in these lines. Our variety for this season is as novel and beautiful as it is useful and good. We have made careful selection of the handsomest we could buy in Boxed Stationery, the manufacture of the leading Canadian, United States and English houses. We have all the popular fancies in note papers and envelopes, in texture, shade, shape and color that the heart could wish. These lines will, we are confident, satisfy the most exacting taste. Special mention might be made of several new lines of attractive papers banded and put up in beautiful ornamented boxes, among which are the English Holly, Sweet Pen, Mouseline, besides other new and original effects.

We also have a complete line of Ladies' Seals, with Fancy Perfumed wax, which is now so fashionable.

WESTERN TRANSPORTATION NEWS

Ottawa, Dec. 11.—Charles C. Castle, warehouse commissioner at Winnipeg in a report of the trade and commerce department says: Until such time as both railway companies move to the great lake front before the close of navigation annually from 60 to 66 per cent. of the export wheat surplus it can never be held that the west supplied with adequate transportation facilities, the lack of which causes great loss to the whole producing interests, and, therefore, to the development of the country.

It would not be fair he remarks, to fail to recognize the work of the two railways in moving a largely increased number of cars during the past three months as compared with the same period of the previous year, but it is evident that neither road is yet working up to the public requirements.

Mr. Castle's opinion the C.P.R. is now working up to its maximum capacity and very little increase in the crop movement can be expected until the road from Winnipeg to Fort William is double tracked. This company will also require to add increased warehousing capacity at Fort William for merchandise. The present condition has hampered the grain movement for some time past, as owing to lack of storage facilities for merchandise, the railway was compelled to convert a large number of its box cars into storage houses to take care of perishable freight arriving in great quantities via the lakes. This kept a number of the cars out of service, in addition to which it caused a great deal of congestion in the Fort William yards. The wheat deliveries at Fort William and Port Arthur during September totalled 3,384,98 bushels, during October 11,541,937 bushels, and during November 11,260,089 bushels. In addition to this 26,186,515 bushels there also passed through Winnipeg this fall 1,634,433 bushels that have been ground into flour.

The plans of Mr. Jamieson of Montreal for a two million bushel elevator at Port Colborne have been approved by the department of railways. Tenders for the structure will be called for early in the year. Hon. H. H. Emerson an dMr. Butler, his deputy, have gone carefully over the plans, which are reported satisfactory.

HOCKEY MATCH TODAY

A hockey match between the Alberta College and the high school, is being played this afternoon on the College Rink. The line-up of the teams is as follows:

High school—Sutherland, goal; H. Powell, point; R. Beals, cover; J. Knott, rover; Brewster, centre; McKenney, right wing; W. Walker, left wing.

College—Grady, goal; Haskell, point; Bush, cover; Jarrett, rover; C. Banford, centre; Oscar Hetu Hetu, wing; Kennedy, left wing.

Reference—W. Banford.

The college team this year is an exceptionally good one, and there will probably be some good games during the season. Before formerly of the Strathcona team, who is playing with the Thistle team this season, is coaching the boys. Grady is goal is a star, and few shots get past him. Haskell and Bush make a strong defence. Jarrett, who plays rover, was with the Calgary juniors last year and his a crack stick-handler. Claster Banford, at centre, who also plays with the Thistle intercollegiate team, is well known in Edmonton as a fast player and one who will do credit to the Thistle seniors in the near future.

Oscar Hetu and Kennedy on the wings, are swift and sure. Hetu will also likely play intermediate this year.

CURLING

Secretary McLean of the curling club has drawn up a schedule of games to be played during the season for the cup presented by the Edmonton Brewing & Malting Co. The skips and their rinks have been divided into four groups. The skips in each rink will play one game with each other, and the winners of each group will play off. Following are the names of the skips of the rinks in each group:

Group 1—Messrs. Campbell, Bellamy, Irwin, Thom, Moore, and St. Geo. Jellett.

Group 2—Messrs. Pardee, Rat, Dewar, Fraser, Stovel and Mercer.

Group 3—Messrs. McDonald, Lander, Carmichael, Kimball, Galbraith Morris and Studholme.

Group 4—Messrs. Johnson, Seord, Lewis, Harrison, Matz and Wize.

Two rinks only will be used for these games, the other rink being left open for miscellaneous games. A schedule with dates for the games, etc., will be drawn up after Christmas. Two days' notice will then be given the players when their games will be played, and they will be expected to be on hand. Two games each night will be played.

THE CITY COUNCIL

Continued From Page One.

mitted to the Minister of the Interior and that the Government be asked to choose either the corner of McLaughlin and Rice, or the corner of Howard and Rice as a site.

Ald. Bellamy moved in amendment that the Minister of the Interior be informed that these two sites were available, and that the prices of the sites and full particulars regarding them be submitted. The amendment carried.

Ald. Bellamy here took occasion to express his opinion on the manner in which the vote on the post office site had been taken. This had been taken, he thought, upon a very unfair basis. He thought that instead of being taken openly, the vote should have been by ballot. When a man casts a vote, he was asked his name, which was written down before he was allowed to vote. Ald. Bellamy also stated that whether the mayor had been present at the polling place as mayor or as a private citizen, he thought it was hardly right that the Mayor should have been coaching people to vote for No. 1 site.

This statement was immediately and most emphatically denied by the Mayor. He denied trying to influence any voter, and had refused to even suggest to any one the site for which to vote. He had been present at the polling place as a third party, but had not been at the door of the council chamber all the time, and had not spoken to any voter as to which way he should vote on the post office site. He had tried to get a man to take his place at the door, but was unable to do so until late in the afternoon.

Alderman Bellamy then wanted to know why the people had not been better informed that the vote on the post office site would take place on that day. The matter had not been advertised in the local papers and had only been mentioned once or twice on the platform at the municipal meeting. He did not think that the vote taken was a fair one, nor a correct indication of the opinion of the electors.

His Worship admitted that he had been at fault in not advertising the matter more fully, but denied again that he had in any way tried to influence voters on the question.

Ald. Griesbach said that he suggested that as they were not legally bound to take the vote by ballot, that the voting be open, but he had understood that the matter would be sufficiently advertised. This closed the discussion.

CLAIM FOR DAMAGES

A claim of J. H. Morris, for \$62.50 for damages sustained by the overflowing of a wash-basin, caused by gravel getting into the sewer pipes and choking them up, had been referred to the solicitor for his opinion as to whether the city was liable for the damages. The solicitor reported that the city was not liable.

RE PARK SITES

The commissioners had several letters that they had drafted to be sent to the owners of the various properties spoken of in their report on parks last week. The letters asked that prices be given the city on the properties, and whether the owners would sell to the city on long term lease of the property. Regarding the portion of the jail property required, a letter had been drafted to the Minister of the Interior asking for his views on the matter, and as to the best manner of approaching the Government. The letters were approved by the aldermen.

VACANCIES FILLED

Mr. Griesbach then brought up the matter of appointing aldermen to fill the vacancies caused by the resignation of Ex-Ald. K. A. McLeod and Chas. May. A resolution had been passed in council some time ago stating that in the opinion of the council the most satisfactory way in which to make the appointments would be to appoint the candidates who had received the highest number of votes to those elected. Following out the suggestion in this resolution, Ald. Griesbach moved that Messrs. P. May and David Latta be appointed to fill the positions of Ex-Ald. May and Ex-Ald. McLeod respectively. These gentlemen had been highest in the list of losing candidates in the recent elections. The motion was carried unanimously.

A COMPLAINT

Ald. Bellamy stated that a ratepayer had complained to him that he had been unable to gain access to his property on Namayo avenue, on account of the engines of the C. N. R. blocking the roadway while taking water at a hydrant.

Superintendent (one of the C. N. R.) who was present, was asked to explain to the council the reason of the blocking of the street. Mr. Pease said that all engineers and firemen had strict orders not to block any streets by letting their engines stand across the roadway. Until the water tank was complete at the roundhouse, it would be necessary to obtain water at the hydrant on Namayo avenue and the street may have been blocked at times for a few minutes. This was only a matter of a few days, and the engines were not allowed to block the street any longer than absolutely necessary. Ald. Bellamy was asked to make the explanation to the complainant.

Following is the list of accounts for the week, which were passed by the council:

CALGARY ENTERPRISE

Calgary, Dec. 11.—A brick veneered building with stone facing, 42 feet by 68 feet, intended for offices, and one large seed sample room has been commenced by the Calgary Colonization Co., in this city. They purpose having a fair sized hall in the centre of the building well fitted as a sample room for varieties of all kinds of grain and grass seeds grown in the west. This will be in connection with the experimental farm this company is establishing near Calgary. The balance of the building will be offices.

—The opening of the new Presbyterian church on Queen's avenue takes place tomorrow. Rev. J. W. McMillan, pastor of St. Andrew's church, Winnipeg, who is well known as a speaker of exceptional ability is to preach both morning and evening. There will be a special platform meeting at 8 in the afternoon, when the resident ministers will deliver short addresses. A lecture is to be delivered by Mr. McMillan in the new church on Monday evening next, and should be attended by a large crowd. The lecture is entitled "The Gael and the Tauton" and the admission fee is 50 cents. The public ordination of Rev. T. T. Baskie as pastor of the mission is set for Wednesday evening, Dec. 19th. Rev. Dr. McDonald, of Strathcona, is to preach the sermon. Rev. D. Fleming, of Edmonton, Presbyterian church, will address the minister, and Rev. Dr. Herdman, superintendent of Home Missions will address the congregation.

LeMistère & Withycombe have now opened their real estate office in the Robertson block and will be glad if sellers will call and list their properties.

Free Press: Among the arrivals at the hotel on Saturday was S. H. McKinley, of Edmonton. Speaking with regard to the influx of settlers into Edmonton district, he said that this had been a record season, and the city was growing at a surprising rate. It is being laid out on such modern principles that it will soon rank among the most important cities of the Dominion. Railway rates have recently been considerably reduced which will have material influence on the development of the city. The one great attraction, he says, is the climate superiority over almost any other part of the country. Edmonton having a good, dry, bracing and healthy climate. Mr. McKinley owns a livery stable in Edmonton.

The Toronto News approves of the appointment of S. B. Woods, the deputy attorney-general of Alberta. The News says: The Attorney-General of Alberta has evidently had an eye to efficiency rather than politics in the appointment of Mr. Sidney B. Woods, of the firm of McWhinney, Lennox, Woods & Brown, of the city, to be his deputy. Mr. Woods is well known in this city as an able and painstaking lawyer, and was one of the examiners of the Law Society. In the new provinces there is a great deal of work to be done in building up a sound structure of law, and much will depend on making a good beginning. As there is virtually no opposition in Alberta, it is all the more necessary that the framing of legislation and the administration of justice shall be in good hands, and the appointment of Mr. Woods is a step in the right direction.

Aug. Flibber has just returned from Winnipeg, where he purchased a large assortment of stock for his lunch counter and confectionery store. Speaking of his visit the Telegram says: "Augustine Flibber, who for eight years was in T. W. Taylor's bookbinding establishment, but who has moved to Edmonton and opened up a confectionery and fruit business, was honored by his former associates on the occasion of a visit which he is paying to the city on business. The employees of all the departments waited upon Mr. Flibber, when an address was read and he was presented with a gold-headed cane, suitably engraved, and a handsome pipe. The recipient made a reply, in which he expressed his regret at having to leave behind so many able and friendly friends. He was popular in the city, and though just established in business in Edmonton, has made good progress. He returns to the west this evening."

NAMAQ NOTES

Namaq, Dec. 11.—Wheels and sleighs are both in use, but the roads are rather slippery for either. Wagons with heavy loads are frequently slipping off the roads and some are being badly broken.

Miss Mary Mulligan and Frank Sutton, of Ben Accord, both lately returned from the hospital are suffering from measles.

Mrs. Crozier is slowly but steadily recovering her strength and is now able to be up for part of each day.

Clark Bros. of Ben Accord, have about wound up their business and are about to move away. The store and stand have not yet, so far as we know, found a purchaser.

Several of the teams of the C. N. R. construction work are encamped at J. Lemourain's farm awaiting the return of spring to push the work further.

On Sunday evening at the Baptist church, Pastor McDonald will speak especially to men on the subject, "Perit in the City."

It is proposed to survey the present Fort Saskatchewan fair grounds into lots and procure other grounds for exhibition purposes.

Last night was a big night at the rink and the attendance was large. Owing to the mild weather the ice was not as hard as desirable.

F. C. Mattson, President of the Canada Bridge Co., Walkerville, who was in the city for a few days on business, returned last yesterday afternoon.

A C.N.R. passenger train comes in tonight at midnight and leaves tomorrow at midnight, beginning the regular tri-weekly service to Winnipeg.

The band will be at the rink on the evenings of Tuesday, Wednesday and Friday in future. Spectators will be charged the admission on band nights.

The Fort Saskatchewan Presbyterian church Christmas tree entertainment will be held in the Langworthy Hall, on Friday evening, December 22.

There will be given a Christmas tree and entertainment in the Fairmount Methodist Church, East Clover Bar, on Thursday evening, December 21.

The annual meeting of the Women's Missionary Society of the Presbyterian church will be held on Monday afternoon at three o'clock in the basement of the church. A full attendance of members is requested.

A large timber wolf, killed on the Pembina river was brought in today to McDonald & Secord. The wolf is a large one, weighing about 130 lbs. These animals are reported very plentiful in the Pembina district, packs of five being seen.

The first skating party of the season of the students and boarders of Alberta college was held last night on the outdoor rink. There were about fifteen couples on the ice and an enjoyable time was spent. Refreshments were served in the clubhouse by Mrs. Huddell, at 10.30.

Mrs. C. Carruthers, of Nainville, has returned to the city after a four weeks trip through Southern Alberta, accompanied by her young friend, Miss Wallbrook of New York. Miss Wallbrook will reside in the city for some time as she intends taking a course in Alberta College.

The firm of Nivins Brothers will open for business on Tuesday, making it 12 and as their office is on the corner of the city, they propose to do a private banking business and deal in real estate. The firm is composed of Mr. H. Nivins, a retired stock broker from New York and Mr. Fred C. Nivins, who has long been associated in western life and who has large interests in British Columbia mining properties.

Sunday evening in McDonald church the pastor, Rev. C. H. Huestis will preach the first of a series of four sermons on the general title "Where God comes in," the subject of the first sermon of the series, "Where God comes into History," "Where God comes into the Bible," and "Where God comes into Religion." The purpose of the series is to help men who are in perplexity or doubt about the "conflict between science and religion"—so called, Mr. Huestis will be glad to answer from time to time questions sent him as to matters that he fails to make clear.

T. M. Knappen, secretary of the Western Canada Immigration Association, interviewed in Calgary, said: "I have just completed a trip from Winnipeg to Edmonton via the C. N. R. It is quite an experience. For instance at Vermilion, a town of less than two months ago, there are 600 people and at least 100 houses, not tents. We were 'laid over' there for three days. The country along the line is good for farming and there is much timber. A great many new settlers are pouring in there. Most locomotives are equipped with double water tanks as the line has been run so fast the permanent tanks have not been constructed."

A TYPICAL LETTER

Mrs. Harrison Young, secretary of the St. Andrew's Society in receipt of the following letter from Rev. D. G. McQueen.

1129 Barclay St.
Vancouver, Dec. 12th, 1905.
Harrison Young, Esq.,
Sec. St. Andrew's Society, Edmonton.

Dear Sir: Your note written on the eve of St. Andrew's Day, and informing me of my election to the office of Chaplain of your society, was duly forwarded to me. Allow me, through you, to thank the society for the honor, for I would rather be a doorkeeper in the house of Scotland than a dweller in the tents of any other people either here or hereafter. I am very sorry that medical instructions forbid my foregoing with you when you meet on Burns' anniversary, but I hope that the President may be steady enough to perform the duties that usually devolve upon the Chaplain. Wishing the society and its organized society a long and useful career.

Yours very sincerely,
D.G. McQUEEN.
